

Pre bid meeting notes on discussion items

- Use J-base as base material and bid at cost per ton.
- Use membrane between soil and base material, bid as cost per ft²
- Bonding is not required but contractor must provide a copy of your insurance with bid.
- Town of Moorcroft requires a contractor's license.
- Crook County will submit building permit and call for locates.
- Town of Moorcroft landfill will accept items for disposal, call town hall for pricing.
- In your bid itemize the cost for removal and disposal of old concrete, handrail and tree stumps(3), grading and site prep, finished concrete and labor, and new handrail materials, labor and painting.
- Crook County may choose to do demolition and removal "in house" if project exceeds budget.
- It is unknown if old concrete has rebar in it.
